

6th March 2019

Dear Parents/Carers

We are delighted to announce that we will be welcoming Al Morin, a local author of the 'Brandon Abroad' series to run workshops with Year 5 later this term. Al will work with each Year 5 class in turn on Friday 5th April. The sessions will be an interactive exploration into interesting word origins, with activities that link to Al Morin's stories. It should be an extra-special end to the term!

The Brandon Abroad series are mystery stories featuring a London family who enjoy travelling – 'The Mystery of the Ruins' takes place in Turkey and 'The Maharaja's Treasure' in India. His upcoming book is a French adventure.

Al Morin has kindly offered to plan and deliver these workshops voluntarily. If you would like to buy a copy of the first book in the series, 'Brandon Abroad, The Mystery of the Ruins' ahead of his visit then we are happy to order a copy on your behalf, which will be signed by Al during his visit. **Please email office@dulwichhamletjuniorschool.org.uk to confirm you would like to order a book and this item will be added to your Parent Pay account. Payments (£6) must be made by Friday 15th March for your order to be placed.**

We are looking forward to this exciting opportunity.

Best wishes,

Ellie Arkwright
Literacy Coordinator
