Dear parents and carers

We are pleased to share with you our 2023-24 curriculum presentations. These are intended to be short (less than 5 minute) information videos about your child's year group: what to look forward to, key information about homework and how to contact the teachers. Please click the link below or the link in your text message.

Presentations 2023-24](#)

We hope you will find these informative. Please note that there is a specific PE Department presentation in the playlist and, depending on take up, we plan to provide more subject specific information throughout the year.

Kind regards

DHJS team
