**COVID-19: Outbreak Management Plan**

**September 2021**

Approved by: Claire Purcell (Headteacher) September 2021

Reviewed: October 2021 and January 2022

Next Review Date: February 2022

## 1. Introduction

This plan is based on the contingency framework for managing local outbreaks of COVID-19 and the schools operational guidance, provided by the Department for Education (DfE).

We will only implement some, or all, of the measures in this plan in response to recommendations provided by our local authority (LA), directors of public health (DsPH), Public Health England (PHE) health protection team or the national government.

It may be necessary to implement these measures in the following circumstances, for example:

- To help manage a COVID-19 outbreak within the school. Actions will be considered when either of the following thresholds are met:
  - There are 5 positive cases amongst pupils or staff who are likely to have mixed closely within a 10-day period
  - 10% of pupils or staff who are likely to have mixed closely test positive within a 10-day period
- If COVID-19 infection rates in the community are extremely high, and other measures have failed to reduce transmission
- As part of a package of measures responding to a 'variant of concern' (VoC)
- To prevent unsustainable pressure on the NHS

## 2. Seeking public health advice

When one of the thresholds above is met, we will review the testing, hygiene and ventilation measures already in place.

We will also seek public health advice from a director of public health or health protection team. A member of the Core Leadership Team will be responsible for seeking this advice, and will do so by telephoning the DfE helpline (0800 046 8687).

## 3. Shielding

We will adhere to national guidance on the reintroduction of shielding, which would apply to those on the shielded patient list (SPL).

We will speak to individuals required to shield about additional protective measures in school or arrangements for home working or learning.

## 4. Other measures

Parents, carers, pupils and staff will be informed promptly about the introduction of control measures. This will be done via email once a decision has been made.

If recommended, we will limit:

- Educational visits/residential visits
- Open days
- Transition or taster days
- Parents and carers coming into school
- Live performances

If recommended, we will reintroduce:

- Bubbles, to reduce mixing between groups, for both pupils and staff
- Face coverings in communal areas for staff and visitors (unless exempt)

## **5. Attendance restrictions**

Attendance restrictions will only be recommended as a last resort. If recommended, we will implement the measures in this section.

### **5.1 Eligibility to remain in school**

If restrictions are recommended, we will stay open for:

- Vulnerable pupils as identified by the school
- Children of critical workers as defined by the Government at the time

### **5.2 Education and support for pupils at home**

All other pupils will be required to stay at home and will receive remote education.

We will aim to deliver remote education that meets the same quality and quantity of education that pupils would receive in school, as outlined in our Remote Learning Plan.

The school will continue to provide meals or lunch parcels for pupils eligible for benefits-related free school meals while they are not attending school because of COVID-19 isolation guidelines. All eligible families will be contacted to ask if they would like this support.

If food parcels are provided, parents and carers will be asked to collect these from the school office. Where possible, food vouchers will be emailed directly to parents and carers, otherwise, these will also be collected from the school office.

### **5.3 Wraparound care**

We will limit access to before and after-school wraparound care during term time to those that need it most. After school clubs may not operate during this period of restriction.

We will communicate who will be eligible to attend once the restrictions are confirmed.

### **5.4 Safeguarding**

We will review our child protection policy to make sure it reflects the local restrictions and remains effective.

We will aim to have a trained DSL or deputy DSL on site wherever possible.

If our DSL (or deputies) can't be on site, they can be contacted remotely via phone, or by emailing: [office@dulwichhamletjuniorschool.org.uk](mailto:office@dulwichhamletjuniorschool.org.uk)

On occasions where there is no DSL or deputy on site, a senior leader will take responsibility for co-ordinating safeguarding on site.

When vulnerable pupils are absent, we will:

- Speak to parents/carers and, where applicable, social workers and the local authority, to work out the reason for absence
- Encourage attendance
- Make sure vulnerable pupils can access appropriate education and support while at home
- Maintain contact, and check regularly that the pupil is able to access remote education provision
