Dear Parents/Carers

Please can you indicate on the form below or via email, if your child has permission to walk home alone or if they are collected after school, whether this is the usual arrangement for the end of the school day/after school clubs, or just once or twice a week or indeed ad-hoc.

We understand that it is important for Y5 and Y6 to have some independence, but as a school we would like to keep a record of which children have your permission to do this.

Yours sincerely

Mrs Claire Purcell
