HEAD OF SCHOOL'S NOTE

I have to be one of the proudest Head of School's out there at the moment! Not only have we been celebrating some terrific artistic, dramatic, musical and sporting successes of late, moving seamlessly from one huge event to another, but we have also been in receipt of our statutory end of Key Stage 2 SATs results this week. Our Y6 children have achieved some amazing results. They are so well-deserved. A massive 'well done' to them all, and to our wonderful teaching team here at the Hamlet, both teachers and support staff alike, who have all contributed to this brilliant set of results.

Thank you for contributing to our first Parent and Carer end of year survey, we received a super response. You have provided us with valuable information which we now need to take time to process and digest. We will share with you our findings and actions as a result of the survey in the new academic year.

SPORTS MORNING DETAILS

Weather permitting we look forward to welcoming you all to our sports morning on Monday (16th July). Sports morning will go ahead unless we post a message on 'twitter' and the school website by 8am.

Please send your child to school in PE kit wearing their house colour t-shirt. We also recommend they bring a sun hat or cap. Water will be provided but in the current climate we strongly recommend that every child has a named water bottle with them throughout the morning. If you feel your child needs suntan lotion, please apply any creams before coming into school.

We respectfully ask that no coffee cups are brought onto the field and that parents and carers respect the space that the children need to do their sports. Spectators are welcome to watch the track events from the far side of the track and the carousel events on the outside of the activity.

LONDON CHILDREN'S FLOWER SOCIETY

This week we welcomed back Mrs Gotch, our judge from the London Children's Flower Society. She looked at our flowerbeds with a selection of summer flowers and the beans we've been growing. We have been awarded 3 GOLD, 2 SILVER and 1 BRONZE.

We try hard to maintain our flowerbeds and encourage the children to take responsibility for planting, watering and weeding. If you're a keen gardener and would like to volunteer a couple of hours each 1/2 term, we would welcome your support. Please do get in touch with the school office: office@dulwichhamletjuniorschool.org.uk or Nikki Thomson nthomson3.210@lgflmail.org

Y3 TALENTS FAIR

Well done to Year 3 who showed amazing entrepreneurial spirit at our Talent Fair on Tuesday. Inspired by the 'Parable of the Talents', each group was given £5 and asked to come up with an idea to make it grow. The children came up with some brilliant responses: from selling flowers, lemonade and ice pops to penalty shoot outs and origami making. The children raised an impressive £594 which they have decided to donate to the RSPCA, the World Wildlife Fund and Water Aid. Thank you to parents and carers and Bartley's Flowers for their help and support.
