HEAD OF SCHOOL'S NOTE

Tomorrow is our biggest and most important fundraising opportunity of the year. The PTA have been working so hard behind the scenes to make our Summer Fair a huge success. We are hoping to raise as much as we can to make the plans for our new playground equipment a reality. Read on to see the exciting design we have in the pipeline. I look forward to seeing many of you tomorrow and hope the weather stays kind to us!

YEAR 6 LEAVERS' EXPERIENCE

We want to say a huge well done and thank you to Y6 after the inaugural 'Woodland Adventure' before half-term – it was a bit of a step into the unknown for all involved but Y6 behaved themselves beautifully and were really positive about the experience: two days camping in Badgells Wood, Kent, with a Go Ape experience. We have learnt lots, including plenty of very constructive feedback from the children, so hopefully it will be the first of many. The Y6 children also enjoyed the second part of their Leavers' Experience this week, with a Gala Dinner after school, before heading off to the West End to see Matilda the Musical. We are hoping that they have returned inspired with ideas ready to put into practice for their very own Y6 production in July.

ONLINE SAFETY CAFÉ RESOURCES

The slides from our recent 'What are you playing there?' online safety café are now available on our website, or via this link: http://www.dulwichhamletjuniorschool.org.uk/uploads/6/2/8/6/62866179/online_safety_parentcafe.pdf

We are delighted that Charlotte Kathe will join us again in the autumn term for a further session. Please put 17th October in your diaries. In the meantime, you might find the following links and information suggested by Charlotte of use:

VOLUNTARY CONTRIBUTION

We have written to you all recently about this important fund that you kindly give to the school. This term, amongst many activities, you are contributing towards: the Y6 Carnival Experience; Egyptian workshops and a visit to Kew Gardens for Y5; providing coaches and workshops for Y4 to visit the Hindu Temple, and 'Portals to the Past' Ancient Greece day for Y3. These events support us in bringing the curriculum alive for our Hamleteers, so that in-keeping with our vision, it suitably 'glitters'! Many of you have opted to pay for the whole year already - thank you. For those of you paying termly, we are asking once again for £25. Thank you in advance.

Y6 SECONDARY TRANSFER

We are still waiting for at least half of our Y6 parent cohort to inform us where your child will be transferring to in September. Can we kindly ask that if haven't yet completed this task on your list, please take a couple of minutes this weekend to drop the office an email, so that we can prepare what we need to do for your child's smooth secondary transfer in a timely manner. Thank you in advance.

VELOFETE AT HERNE HILL VELODROME

Our neighbouring velodrome is hosting a major fundraising event all of this weekend (8am-11pm Saturday and Sunday). Throughout the weekend there will be live music, racing (featuring some of our own Hamleteers), talks from cyclists (including Sir Bradley Wiggins) and authors, as well as an opportunity for all ages to try out the velodrome for the first time. The velodrome is an iconic volunteer-run facility that relies on fundraising events such as this one to stay open, so we hope you can give it your support.

We have circulated a second parental feedback opportunity for you today – our 'Free to Be' Equality Questionnaire. As part of our school development work around behaviour and bullying, and in response to parent and carer feedback from a survey conducted last academic year, we are delighted to be one of 30 London primary schools included in this EqualTeach programme: Free to Be. Dulwich Hamlet is a school where everyone matters. Everyone has the right to be themselves, to be treated equally, and to be respected within a safe and happy school environment. The safety, welfare and well-being of our pupils, staff and visitors is a key priority. Therefore, with the support of EqualTeach, we will be undertaking a whole-school programme of work looking at our policies, teaching and curriculum. We are offering all parents and carers the opportunity to have their opinions heard prior to the start of the project. The results of this consultation will inform our equality action plans moving forward. If you would like to share your views with us, please complete the questionnaire available via the following link:
