HEAD OF SCHOOL'S NOTE

It was a real pleasure to welcome our Y2 friends from DVIS yesterday morning for our first joint play-time. We opened-up both Village and Francis playgrounds and the children were able to travel and play between the two. As an ice-breaker, our Y3's were given half a photo of one of the Y2 children and they had to find their 'buddy' who was holding the other half of their picture. This is the first event in our programme of many Y2/3 transition activities. Our Y6 pupils already have their storybook project well underway, which will be presented to their Y2 partner during the last week of term. This is a favourite DHJS/DVIS tradition that has been going for as long as I can remember, with the books being genuinely treasured by the recipients.

We are looking forward to our Summer Fair tomorrow and hope that the weather will be kind to us. The PTA have been working so hard behind the scenes to make this event a success. I am mindful that there are other 'big' events happening in the immediate locality this weekend, please do find some time to come and support our event. Every penny raised will make a difference to the resources and opportunities we are able to provide for our children.

COMMUNITY NEWS

Please be aware that from Monday 2nd July, development work will begin on the SG Smith site opposite our main entrance. There will be an increase in traffic and some road closures at some points during the day. Gilkes Place will be closed from 5th July.

We have been working with McCullochs and they have assured us there will be minimum disruption to our school. They are aware that we walk past the site often and will make the area as safe as possible.

One of our parents has made us aware of a super event coming up soon which will definitely be right up some of our Hamleteers 'streets'! This will be the fourth *Junior Open Mic* event for kids organised by local parents at *Off The Cuff*. Please see the flyer attached for details.

NEW PARENTS EVENING Y7 TCS NORTH

It has come to our attention that there is a bit of a clash of events on Thursday 12th July. We have liaised with our colleagues at The Charter School North Dulwich, who have very kindly agreed to finish their New Parents Evening slightly earlier than the originally stated time at 6:45pm. We will then start the Y6 production at the Michael Croft Theatre at Alleen's slightly later that evening at 7:15pm. That way we hope to give those parents involved in both events time to move swiftly from one to the other. Our second Y6 production performance on Friday 13th July will go back to the usual start time of 7pm. Further details about this exciting production to follow soon...
