HEAD OF SCHOOL'S NOTE

Reaching the end of this half-term feels like a major milestone and achievement for us all at this time. While so much of what we have been doing is just the 'normal', I have to keep reminding myself that there is much more that couldn't be further from normal – particularly from an operational/logistical perspective. I want to thank all of the DHJS team for their exceptional contributions this half-term. I appreciate their day-to-day flexibility, willingness to 'muck-in', and for generally going over and above to make the school feel safe, while providing the children with some terrific learning opportunities. We look forward to what Autumn 2 will bring for us all...!

Wishing you all a super half-term break.

Our winners will be announced in our Achievement Assembly on Friday 6th November.

STEAM

QUESTION OF THE MONTH

Deadline: **Thursday 5th November**
Hand your submissions in to Miss Harris.

CHRISTMAS CARDS

Your child will be bringing home a Christmas card design today for you to view, and an accompanying letter providing you with full instructions. This is an easy way to raise funds for the school and share your child's art work with family and friends over the festive period. If you are going to take-up this opportunity, please read the information carefully and **return your child's art work to school, in the plastic wallet provided, on the first day back after the half-term break: Tuesday 3rd November.** We then send the designs to the company ready for production. Unfortunately, we will not be able to process any further requests after this date. In the meantime, you can start placing your orders from now! Visit the *Arts Projects for Schools* website: apfsorders.co.uk and enter your child's details and code. We cannot place orders on your behalf. Please note, the **deadline for placing orders is also Tuesday 3rd November.** Apologies, as we appreciate with the break in the middle, that this is a very tight turn around.

OUR LEARNING GRIDS

Please check the book bag for your Autumn 2 'Our Learning Grid', which has also been emailed to you for ease with the links. For reference: we place these on the website under the Our School → Curriculum → Our Learning pathway.

CHILD CARE VOUCHERS

A little reminder that Child Care vouchers can only be used for out of school hours child care. As such, we're afraid that we cannot accept them for payments towards items such as Voluntary Contribution, music lessons, or the recent book sale following our author visit.

For your information, our account is up and running for parents and carers to pay through the government tax free childcare account. Please follow this link for more information:

ALICE – OUR LOLLIPOP LADY

You may be aware that there is a collection for our long standing and much-loved lollipop lady – Alice Hayes. Collectively, the parents of DVIS and the Hamlet have set-up a collection to offer her and her family some support at a particularly difficult time. Please follow this link for further information:

A CELEBRATION OF BLACK HISTORY

During the month of October, through our curriculum, we have had a specific focus on key figures in Black history and have learnt so much about their incredible legacies.

Each year group has produced a short film, detailing their learning and outcomes. We enjoyed watching these in assembly today. Here are the links for you to enjoy too:

However, our learning doesn't stop here. We continue on our journey to find out and discover more. Thank you to our parents who have offered their time and resources to come and work with us after half-term.

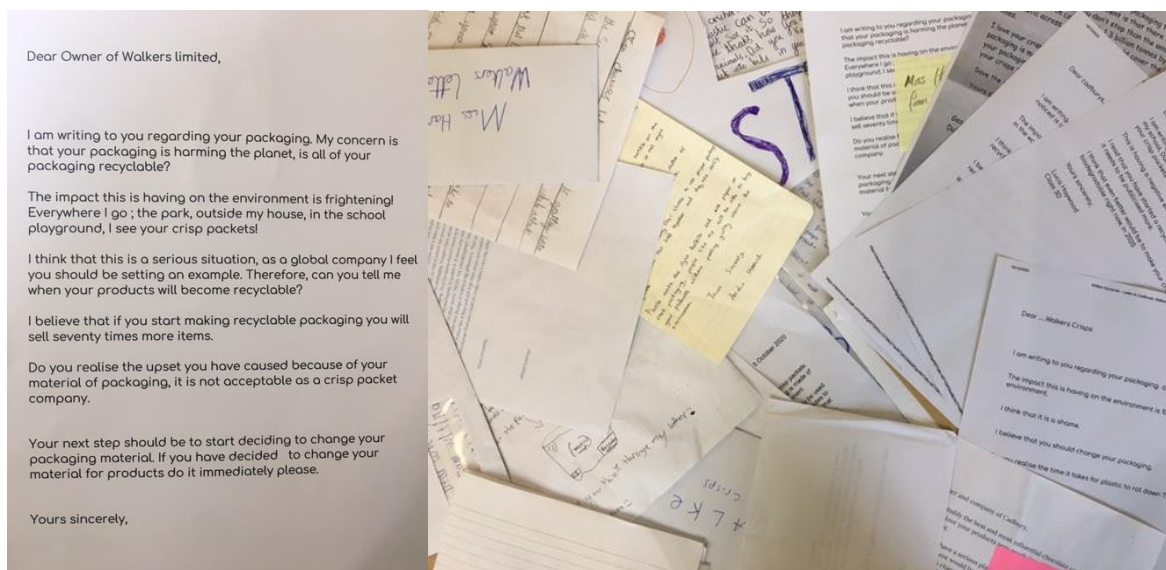

ECO COUNCIL UPDATE

We have been inundated with nearly 100 letters, written to Cadbury, Tyrrell Crisps and Walker Crisp companies, asking them to reduce their plastic waste and to use more environmentally friendly packaging for their products. In the letters, children across the school have explained their passion for the subject, utilised their impressive persuasive writing skills and demonstrated creative problem solving in this task. This project has contributed towards our work with *Surfers Against Sewage* in which we are going to remove 3 plastic items from our school and achieve our 'Plastic Free School' award. Currently, we are focusing on our second to last objective: challenging industries. We will send the letters to these companies and hope for a response and a change.

Our Eco Council members have also drawn up a petition to help challenge these industries. Please sign it to help us gain momentum and make the changes we want to see for the better!

Get Cadbury's, Walker's and Tyrrells to use environmentally friendly packaging

Beth Harris started this petition to Cadbury and 2 others

Written by the Eco Council of Dulwich Hamlet Junior School:

Regarding companies like, Tyrrell Crisps, Cadbury and Walker Crisps changing their packaging so it is more eco friendly.

Companies like Tyrrells, Cadbury and Walkers have been having a huge impact on the environment with their packaging. We are mainly talking about these companies as they are very popular. These companies had the most litter in our school playground. If they changed their packaging so it was recyclable like Pringles it

1 has signed. Let's get to 100!
