## PTA: WE NEED YOU!!!!!!!

We cannot thank Gillian and Philippa enough for all of their PTA work. Under their Co-Chair leadership, we have all benefitted from some incredible community events, as well as significant fundraising, even during these peculiar times. However, all great things must come to an end, and they have decided that it is time to hand over the baton from January. We need either one or two of you to come forward and take on this role. You will have an active and supportive back-up team, with Philippa and Gillian there for guidance, while they continue as Co-Secretaries. The reality is, if no one comes forward, then there will be no more PTA events and activities for the foreseeable future. Please contact the PTA by email to express your interest or for further information. [dulwichhamletpta@gmail.com](mailto:dulwichhamletpta@gmail.com)

## CHRISTMAS FOOD BAGS FOR NORWOOD AND BRIXTON FOODBANK

Your generosity is overwhelming. The picture below is just a snap-shot of all of your donations that we are going to be forwarding to the foodbank next week. (We spoke to the children in assembly on Monday morning, and gave them an understanding of why their contributions are so important, particularly this Christmas. From our conversations around school, they have really taken this initiative to heart. Thank you all.

## CHRISTMAS ARRANGEMENTS/DATES

As we go into the last two weeks of term here are some dates and information you might want to make a note of:

## PLAYGROUND MENTORS/MARBLE SEASON

Our superb School Council team are currently being trained as Playground Mentors. From next week, they will be on the Playground for 2 days a week to support children with low self-esteem, friendship issues and - most importantly - to be the eyes and ears of our anti-bullying programme. If any child feels unable to speak to an adult, they can approach one of our School Councillors with their issues.

Marble Season has been a huge success this week! This has been a time for practising negotiation skills as rules for games were decided, cooperation skills, and a time to indulge in pure imagination. Much fun has been had by all.

## ONLINE SAFETY: IS TIK TOK SAFE?

We are aware that some of our pupils use Tik Tok. For any parents who do allow their children to use this social media platform, we would encourage you to watch the BBC Panorama programme, which explains exactly how the algorithm works and how the company deals with the safeguarding of young people.

## ROGER POPE NATIVITY SCENE

How many of you have spotted our delightful art work contributions to the Nativity scene, situated in Roger Pope opticians opposite school? Our thanks go to the Y6 artists and Miss Pink. We recommend you take a look when it is dark, it looks stunning.

Thanks to St. Barnabas for inviting us to be part of this project.

## A BIT OF CHRISTMAS SPIRIT!

This will certainly get you into the Christmas spirit on a dull and gloomy December afternoon! Our Y4 choristers have filmed their performance of 'Winter Wonderland' which has been showcased by Southwark Music as part of their '12 days of Xmas' initiative – follow this link. Y4, you sound so joyous and were clearly having a ball!

## PARENTS EVENING ROUND-UP

Managing approximately 300 Google Meets over two evenings was never going to be an easy task! Thank you for bearing with us while we navigated our way through this new way of operating parents' evenings.

While the majority of meetings went to plan, we are aware that there were some of you that encountered technical glitches. Please be assured that if you were affected, the teachers will be contacting you to make sure you have your time to come together and discuss your child/ren before the Christmas break.

Thank you for your continued support and patience.

## GOING THE EXTRA MILE...

Bravo Atlas! Further to our request for donations of food bags, Atlas raised money from his neighbours in order to go and buy a bag jam-packed with goodies which he has brought to school this morning. That's the spirit of a true Hamleteer!

## YEAR 4 GO EXPLORING

Year 4 had a wonderful time this week, following in the footsteps of Arctic explorers Matthew Henson and Robert Peary. Following our 'shout-out' to you all at the beginning of Black History Month, we were joined by one of our Year 4 parents – Andrew Johnson – who ran workshops exploring the challenges of polar exploration, from narrow paths to frostbite and being unable to see due to snow and fog. Many thanks Andrew for coming in and sharing your expertise. We learnt so much.
