Dear Parents and Carers,

Whilst we very much hope that it will not happen, there is a possibility that over this winter we may experience a local or national lockdown. This would necessitate a return to a situation where the majority of the school would be accessing on-line education, with a small number attending Key worker school (KWS). In order for us to plan ahead we now need to gather information as to which families would qualify for KWS. We anticipate that demand for these places would be high and we have, therefore, created a set of admissions priority for KWS.

1. Children with TWO keyworker parents (living together or apart where parents share parental responsibility), both of whom need to work away from home. Children with ONE keyworker parent working away from home where that is the only parent with legal responsibility.
2. Children with an Education, Health and Care Plan, or social worker
3. Children with TWO keyworker parents (living together or apart) where one is working from home
4. Children who the school deem vulnerable
5. Children with ONE keyworker parent and one non-keyworker parent (living together or apart) where both parents need to work away from home
6. Children with ONE keyworker parent and one non-keyworker parent (living together or apart) where one or both parents are working from home

For your information, to ensure clarity and fairness, at a later date, we will also be asking that you provide a letter from your employer, confirming your keyworker status and, if applicable, the need for you to carry out your job away from home.

I am sure that you understand that as this is a new academic year, with a new cohort of children, we would need to assign KWS places from scratch, even if your child attended last time. Therefore, if you think that you may qualify for a KWS please ensure that you fill in the attached google survey by following the link below:

In the event that we set up a KWS, families will be contacted in order, according to our admissions criteria. If this does happen, any questions should be sent to me. However, we and, I am sure you, hope that it never gets to this stage.

Yours sincerely,

Rachel Evans

Assistant Head i/c KWS
