30th September 2020

Dear Y6 Parents and Carers,

Re: Update on Y6 School Journey to Dorset

Firstly, apologies for the delay in updating you regarding this residential trip. There have been a few things going on at our end and a few things in Dorset too!

Following discussions with Land and Wave and guidance we have received from the Government, it wasn't possible to hold the journey in April or September 2020 as we had hoped. I'm pleased to say that we have now provisionally re-booked this trip for 14th – 18th June 2021. A great way for the year group to come together as they enter their final few weeks with us at DHJS.

The trip will take a slightly different format from previous years, in that the children will be glamping instead of staying inside dormitories. This will be an exciting opportunity for the children to experience camping, as well as the benefits of being outside in the fresh air.

We have booked all the usual favourite outdoor activities including a trip to Corfe Castle, the water park and a ride on a steam train. We will confirm a timetable of activities nearer the time.

We will also hold a short parents' evening in the spring term to go over some of the details, types of clothing to pack and to answer any last-minute questions. New medical and dietary request forms will be sent out as well.

Obviously, nothing is certain at the moment, but we are keeping our fingers crossed that our Year 6 pupils will get to experience this challenging and exciting trip and complete their junior school journey.

We will keep you updated with further information in due course.

Kind regards

Nikki Thomson
Assistant Head / Leader of Wider Learning
