

Tuesday 2nd October 2018

Dear Parents and Carers

There will be two opportunities on Wednesday 10th October to find out more about the Maths Home Learning arrangements for this year. Both sessions will cover the following:

- How to use DoodleMaths and Times Tables Rock Stars
- How to support reluctant learners in Maths at home
- What is 'mathematical understanding' and how can you help at home?

We have provided a before and after school time to help as many parents attend as possible. Please only choose one of the sessions as the content will be identical.

Wednesday 10th October

Session 1: 8:45-9:30 Burbage Classroom

Session 2: 18:30 to 19:15 Turney Hall

We look forward to seeing you. Please email office@dulwichhamletjuniorschool.org.uk with the session you are able to attend so we can prepare resources to take away.

Kind regards

The Dulwich Hamlet Maths Team

Mr Salomonson

Mrs Begley
