

## **LAND AND WAVE MEDICATION FORM 2019**

Only complete this form if your child needs to take medication, prescribed by their doctor on school journey.

Please complete one form for every type of medication you provide your child with that they will or might need.

**Medication forms (for prescribed medicine) must be returned to school by Friday 5<sup>th</sup> April, with the prescription attached.**

All medication should be contained in a re-sealable transparent box or bag and given to the relevant adult on the morning of departure.

***It is essential that you inform the school if any medical conditions change before the date of departure (29<sup>th</sup> April).***

Child's Name and Class:

Name of medication:

Reason for taking medication (including whether it will be definitely required or not):

Amount to be taken (include how many times a day):

How to be taken:
