Single Player 🎸

Garage - the questions will only come from the times tables the teacher has set for the week. As pupils start to answer questions, TT Rock Stars works out which facts they take longer on and will give them more of these questions to answer. The Garage is best for getting quicker at a few facts. Players get 10 coins per question.

Studio - the questions in the Studio can be anything from 1×1 up to 12×12. TT Rock Stars calculates each the mean speed from their last 10 games in the Studio and translates into a Rock Status:

≤ 1 sec/qu = Rock Hero	≤ 7 secs/qu = Unsigned Act
≤ 2 secs/qu = Rock Legend	≤ 8 secs/qu = Gigger
≤ 3 secs/qu = Rock Star	≤ 9 secs/qu = Busker
≤ 4 secs = Headliner	≤ 10 secs/qu = Garage Rocker
≤ 5 secs/qu = Support Act	> 10 secs/qu = Wannabe
≤ 6 secs/qu = Breakthrough Artist	

They earn 1 coin per question and the Studio is the place for them to set their best time across all the tables.

Multiplayer 🔥

Rock Arena - The Arena allows players to compete against all other members of their Band (their Bandmates would need to join the same game in order to compete together).
A new Arena game starts every 15 seconds and once the clock starts they race to answer more questions than the others. In the Arena, questions will only come from the times tables the teacher has set for the week, similar to the Garage. They earn 1 coin per correct answer.

Rock Festival - The Rock Festival games are open to players from around the world. Like the Arena, there is no limit to the number of players who can join a game; however, unlike the Arena, questions are selected at random from 1×1 to 12×12.
Pupils might choose the Rock Festival if they were playing at home (and therefore couldn't easily synchronise playing against a classmate) or wanted to compete against others not in their Band. They earn 1 coin per correct answer.

The times tables to practice

Here are the National Curriculum Objectives for times tables:

Year 1 – Count in multiples of 2,5 and 10

Recall and use all doubles to 10 and corresponding halves

Year 2 – recall and use multiplication and division facts for the 2, 5 and 10 multiplication tables including recognising odd and even numbers

Year 3 – Recall and use the multiplication and division facts for the 3,4 and 8 multplication tables

Year 4 – Recall and use the multiplication and division facts for multiplication tables up to 12x12

Year 5 – Revision of all times tables and division facts up to 12 x 12

Year 6 – Revision of all times tables and division facts up to 12 x 12

Please bear in mind that each school, each class and each child is different.

Stats

If you click on Me > My Stats, a heatmap like the one below will load. It shows how successful your child is at each of the facts.

Stats

The colours relate to how quickly can answer each of the facts from 1×1 to 12×12. The greener the colour the quicker they are and the redder the colour the slower they are.

	1	2	3	4	5	6	7	8	9	10	11	12
1	1×1	1×2	1×3	1×4	1×5	1×6	1×7	1×8	1×9	1×10	1×11	1×12
