Please help your child to learn the government words. Looking for patterns in the spelling, investigating the meaning and history of the word will make the spelling more memorable. A little every day is much more effective than a long session once a week. As well as being able to spell these words, the children should understand how to use them in spoken and written English.

Thank you for your support and help. If you have any questions about your child's spellings, please do not hesitate to contact their class teacher who will be happy to discuss them with you.

Yours sincerely,

The Year 5 Team
