Y6 MEET YOUR CHILD’S CLASS TEACHER – Wednesday 20th/Thursday 21st September

The purpose of these voluntary meetings is:

- To meet your class teacher
- **For you the parent**, to provide any information that will help the teacher’s knowledge of your child
- To discuss any concerns you might have about the coming year.

All Y6 meetings will be held in Turney Building in teachers’ individual classrooms. Meetings will last five minutes but the teachers will be happy to make an appointment to talk to you at other times if necessary.

Following our on-going commitment to home / school communications and the reduction in paper usage, all response and authorisations should be sent via email to office@dulwichhamletjuniorschool.org.uk with the name of your child, class and event in the subject line. Please state your preferred date and times (2 please), within the email. Appointment times will be allocated by the end of next week.

Can I also remind you that many of our after school clubs will be cancelled on these two afternoons in order to facilitate our ‘Meet the Teacher’ sessions.

Yours sincerely

Claire Purcell (Head of School)
