### HEADTEACHER'S NOTE

What a start to the final half-term! It has certainly been a busy week...

I want to begin by thanking Miss Thomson and our wider P.E. team. Sports Morning was such a triumph. The weather played 'ball' for us, and our Hamleteers threw themselves into our track races and activity carousel. I was particularly struck by their determination and resilience with the hurdles, especially when I saw how high our Y6 cohort were having to jump! I know they have all been taught the correct technique and had lots of practice in their P.E. lessons, but doing this in front of a crowd certainly took some bravery! We have celebrated all of the children's sports morning achievements in assembly this afternoon.

Moving on from this, the high jump bed has been out this week, and Y3 have enjoyed their first experience of 'throwing' themselves onto the bed. One Hamleteer has been reported saying: 'That was the best P.E. lesson ever'!

And then Y6 linked up with our friends and sister school in the Amazon. This was one of those incredible memorable events that even had the staff near to tears! Please read on for more detail. I must thank Mr Gold for making this special event happen for our community.

You'll spot our regular piece from Georgie, our PTA Chair further on. Please do sign-up for help with the Fair, week Saturday. Any time and support, however small, is warmly welcome. The clear-up bit is almost as important as the rest. Getting the site back to 'school ready' for the following Monday really does require all hands on deck.

Many thanks in advance.

### PARENTPAY (HEADTEACHER'S NOTE CONT'D...)

I have been spending considerable time over the half-term break and this week working on the budget for 24/25 and the year end for 23/24: Finance, as for all schools, is just so grim.

With the way the year end is looking at the moment, I have to do some 'money magic' to ensure we don't finish in a deficit position. What would, therefore, be incredibly helpful is if parents could clear their ParentPay accounts for the year asap. I would like to remind parents that we do not receive additional income in the budget for all of the trips/workshops and experiences we proudly offer. We do rely on your Voluntary Contributions to enable all of this. If you are yet to make a payment to this fund for this year, however small, it would be gratefully received.

### HOUSE POINTS (INC SPORTS MORNING RESULTS)

Topaz Water	Ruby Fire	Garnet Earth	Sapphire Air

## Y6 LINK-UP WITH OUR AMAZON FRIENDS

On Tuesday this week, our Year Six children connected over an hour long live meet up with children, teachers and community leaders from the Huni Kuin people of the Humatia Indigenous Territory deep in the Brazilian Amazon. We shared songs with each other, played games, asked and answered questions and even joined in some spontaneous traditional dances. It was a really beautiful experience for all involved that fostered a lot of joy and a lot of learning that will enrich our Geography topic on the Amazon.

Their traditional culture is incredibly rich but materially there are things their school lacks and we have decided that we as a school community would like support them through a fundraising afternoon that will take place in Turney playground between 3:30pm and 4:30pm on Thursday June 20th. We are giving this altruistic entrepreneurial opportunity to our Year 6 young people and are calling it *Year 6 Give Back to the Amazon*. Our Year 6's are organising themselves into groups and deciding what goods, games or other stalls they can offer.

To make this enterprise the success we want it to be we need your help! Year 6 parents and carers, please support your children to prepare their stalls and their offerings. We are giving them time at school to develop ideas and plan in groups but ultimately they will need time and encouragement at home to get ready for the 20th of June. All other parents and carers who will be picking up children on June 20th, please come with **cash** to spend on Year 6's creative offerings which they will have worked very hard on in the preceding week or two. All the money raised will go directly to our sister school in the Amazon and will be used for sports, arts and potentially electronic resources to support their learning.

## Dulwich Village

May 2024

### What we've been doing recently.

#### Your Ward Priorities

- \* Reducing violent crime (robbery)
- \* Reducing vehicle crime (theft from motor vehicles)
- \* Theft (Mobile phones, shop lifting)

Dulwich Village SNT took part in a national operation called OP SCEPTRE. This operation is a coordinated effort to tackle a rising problem of knife crime. Dulwich Village SNT participated in this by conducting mass weapon sweeps in hot spot areas within the ward such as Dulwich Park, Belair Park, and Sunray Gardens. These patrols were done in collaboration with both Dulwich Wood SNT and Southwark council wardens. During these sweeps no knives were located.

#### Your Local Team

- \* PS Mark Zissler
- \* PC Noel Baadjes
- \* PCSO Cristian Avram

Dulwich Village SNT were also present at the Dulwich Park fair bringing with us a Van with 2 police dogs which were keen to engage with the community. It was a great day out with many kids enjoying an experience of sitting in the police van.

#### Next Ward Panel

- \* 24 June 2024 at Crown and Greyhound at 1900 hours

Gilkes Crescent has recently come top our attention as a common location for untaxed vehicles to be left abandoned. SNT have successfully removed a vehicle from here and will continue extra patrols to try and deter this from happening. We look forward to future positive collaborations with Southwark council and local residents to spot and remove these vehicles.

#### Meet the team

##### Upcoming events:

12/06/2024 12PM

Cuppa with Copper  
Clock Café Dulwich Park

09/07/2024 12PM

Cuppa with Copper  
Rocca Cafe

Dulwich Village SNT also collaborated with the cyber resilience centre to visit local business within the ward to explain how to better keep business safe from cyber crime.
