Headteacher: Mrs Claire Purcell

Thursday 5<sup>th</sup> October 2023

Dear Parents and Carers,

As part of our Science topic on 'Living Things and their Habitats', Year 4 will be visiting the **Horniman Museum** on **Thursday 19<sup>th</sup> October**. This will be an all-day trip, including an animal classification workshop for each class, an opportunity to identify animals in the Natural History Gallery, a visit to the Aquarium and a visit to the museum gardens.

We will leave school at approximately **9am**, and return to school in time for normal collection or after school clubs.

- Your child will require a healthy, nut-free **packed lunch and water bottle** in a bag that they can carry with them to the museum. We will be taking the bus to and from the museum. Some children will travel from school in the minibus.
- Please ensure that your child is wearing **comfortable shoes** and has a **water proof coat**.
- Please note: the children do not require any spending money for the trip.

Please note: the cost of this trip will be covered by Voluntary Contribution, already showing in your Parent Pay account. We thank you for your support in allowing us to give the children enriching experiences to support their curriculum learning.

For this trip, we will require at least **one parent/carer volunteer** from each class. If you are available to help out for the day, please email your child's class teacher using the contact details below.

Yours sincerely,

Ms Gorbutt Rice
