Match Funding: An easy way to support Dulwich Hamlet Junior School

Last year the PTA committee, parents and teachers of Dulwich Hamlets Junior School raised £26,500. This year, the PTA aim to exceed this target, so in addition to the Christmas and Summer fair, quiz, disco and six cake sales, we would like to investigate the Match Funding scheme.

If you work for an organisation that has a match funding policy, any money you raise could be matched by your employer. Companies may match the fundraising total for an event, or for the stall that their employee is working on. Usually, the employee will need to supply them with a letter from the PTA detailing the date and nature of the event, together with the total raised.

We understand that the high street banks, building societies, supermarkets and large corporations are likely to do match funding, but these schemes are not exclusive to the major corporate giants. If you work for an independent company, they may be interested in charitable giving through match funding too. See below a list of companies that have previously match funded. We would be grateful if you could see if your employer has a match funding scheme, or if they are willing to match fund any of our events. If you can't help out this time, but you know the company you work for has a match funding policy, please let us know. This will be very beneficial for the PTA and help us raise money for IT provision in the school. If you can help us this way, please contact Philippa at dulwichhamletpta@gmail.com and we can discuss your companies' requirements. Thank you for your support.
